Charter School

3rd Annual Live & Give Celebration and Auction

Lake County International Charter School (LCICS) is celebrating the beginning of our fifth year of operation with a fundraising event to be remembered! The **3rd Annual Live & Give Celebration and Auction** will be hosted at the Moore Family Winery located at 11990 Bottle Rock Road in Cobb on Saturday, November 7th, 2009.

Educating the children of our community is a serious business, but we all need to have more fun in our lives so this year's theme is

“1970’s Flashback”

LCICS is a tuition-free, K-8th grade public, school that is WASC accredited and an authorized International Baccalaureate (IB) World school™ providing students with an inquiry-based, enriched education that includes visual and performing arts, technology, positive discipline and foreign language for all of our students from Kindergarten through 8th grade. **With the state budget cuts and payment deferments** that have happened in the past year, **we are really stretching our funding** to cover all of the school's needs, and we hope you will help! **Donations are under a 501(c) (3) and are tax deductible.**

There are a variety of ways in which to participate or contribute to this exciting event!

- Silent Auction Donations
- Live Auction Donations

And of course we hope that you will attend the event as well on Saturday, November 7th! You may have also noticed that the Live & Give fundraiser has previously been held in the spring. We are permanently moving this event to early November to avoid scheduling conflicts with the numerous events, fundraising and otherwise, that happen in our community during springtime and early summer.

We are grateful for the support of our extended community and look forward to continuing to provide this educational opportunity to students from all of Lake County. Please do not hesitate to contact us should you have any questions or need further information.

Thank you for your support,
